

## A New Danger.

A great danger threatens the people of the South. An evil that is steadily growing, and unless checked will cause great misery and suffering. It is called by all sorts of names, but is being sold to the drug gists to be handed to the people when they call for Simmonds Liver Regulator. Beware! There never has been more than one Simmonds Liver Regulator on the market. Take nothing else. The person who tries to persuade you that anything else is just the same is not to be relied upon, nor is the dealer to be trusted who tries to sell you another article in its stead. You know what Simmonds Liver Regulator is, because it has done you good. No! don't be deceived into trying anything else. Wait until the Old Friend, Simmonds Liver Regulator, has failed you, then will be time enough to try something else. Remember, Simmonds Liver Regulator is what you want. It is put up only by J. H. Zeilin & Co., and a Red Z is on every package.

A. M. Bailey, a well known citizen of Eugene, Oregon, says his wife has for years been troubled with chronic diarrhoea and used many remedies with little relief until she tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, which has cured her and she will be surprised at the prompt relief it affords. 25 and 50 cent bottles for sale by A. ## CURE FOR HEADACHE.

As a remedy for all forms of headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tonic to the bowels, and few cases long resist the use of this medicine. Try it once. Large bottles only fifty cents at A. F. Hargrave's Drug Store.

## WHAT EVERY WOMAN SHOULD KNOW.

The number of women who are martyrs to sick headache is appalling. Few women seem to know that such martyrdom is wholly unnecessary. They think they were born to suffer and their only ambition is to endure bravely what they never hope to cure. What is wanted is a reliable medicine that will completely cleanse the stomach and bowels of all bilious humors and at the same time purify the blood. Such treatment faithfully carried out, will give new life to the whole system—headache, pain in back, side and stomach will disappear, the appetite will be restored and the nerves strengthened. Inquire at A. F. Hargrave's for David's Anti-Bilious Liver Pills. They are easy to take and do the work when others fail. May be given to children with gratifying results.

Persia is or was a great horse country. In fact, its name means horseman. The root from which the word is derived is actually preserved in the German name for horse today.

Irving W. Larimore, physical director of Y. M. C. A., Des Moines, Iowa, says he can conscientiously recommend Chamberlain's Pain Balm to athletes, gymnasts, bicyclists, football players and the profession in general for bruises, sprains and dislocations; also for soreness and stiffness of the muscles. When applied before the parts become swollen it will effect a cure in one half the time usually required. For sale by A. F. Hargrave.

WANTED.—About 500 acres of land in "Rich Valley," Tazewell county, Virginia, within 5 or 10 miles of Tazewell C. H. containing black walnut and oak. Give full description and distance to nearest railroad, stating price per acre and terms of payment. Address, F. W. FRAZIER, 154 Sedgwick St., Allegheny, Pa.

The last battle between the Japanese and Chinese troops resulted in the practical destruction of the Chinese army in Korea. Out of 20,000 troops engaged, scarcely 3,000 escaped, while the Japanese loss was trifling. Unless China can throw another army into Korea, the war is almost at an end for the present, at least.

While in Chicago, Mr. Charles L. Kahler, a prominent shoe merchant of Des Moines, Iowa, had quite a serious time of it. He took such a severe cold that he could hardly talk or breathe, but the prompt use of Chamberlain's Cough Remedy cured him of his cold so quickly that others at the hotel who had colds followed his example and half a dozen persons ordered it from the nearest drug store. They were profuse in their thanks to Mr. Kahler for telling them how to cure a bad cold so quickly. For sale by A. F. Hargrave.

## RESOLUTIONS OF RESPECT.

At a meeting of the members of the church and also the citizens generally of the village and vicinity of Cedar Bluff, Va., held at the Methodist church, on the evening of September 10, 1894, Rev. R. S. Umberger, preacher in charge, presiding. Thomas A. Gillespie, R. F. Cecil, Jas. H. Gillespie, O. H. Peery and S. H. Laird were appointed a committee to draft suitable resolutions to express the deep regret and sorrow of our church and community in the loss of our esteemed fellow townsman and brother, Jas. M. McGuire, who was called from our midst by the dark angel of death on the 3rd instant.

The committee read and offered the following resolutions, which were unanimously adopted:

Whereas all wise Creator has seen cause in His infinite wisdom to remove from our midst one of our most esteemed citizens and consistent church members, our most public spirited townsman, and

Whereas he has been a devoted member of the M. E. Church, South, and of this class, a trustee of church property, and a member of the Board of Directors of Cedar Bluff High School from its foundation, we deem it a duty as well as a pleasure to express our appreciation of his many virtues and excellencies. Therefore be it

Resolved, 1st. That his loss will be deeply felt as a citizen, a faithful and influential member of the church and Sunday School, the redemptive influence of whose life of uprightness in character, gentleness of good example will never cease.

2nd. That the consistent and faithful and consistent Christian life which he lived, and encouraging words of his last days and the manner in which he bore his afflictions, tells us that he has gone to the home of the good.

3rd. That we bow submissively to our heavenly Father's will, knowing that our loss in the death of our dear brother, is his eternal gain.

4th. That we extend to the bereaved and sorrowing family our heartfelt sympathy in their sad affliction.

5th. That a copy of these resolutions be furnished the family of the deceased, and be made a part of the church record, and copies be furnished the Holston Methodist and county papers for publication.

THACKER, LOGAN CO., W. VA.,  
September 13, 1894.

EDITOR CLINCH VALLEY NEWS:  
I have just completed a plant for the Maritime Coal Co., which consists of one mile of railroad with four tracks passing under tipples so as to catch every grade of coal. The plant is of 1500 tons per day capacity with a self acting plane with double gear drums, holding 1600 feet of 1 1/2 wire cable on each drum. Also one tram road one mile long opening up ten double entries alongside of mountain, and reaching main mountain, where prevails the most substantial export coal of the soft coal kind. Also it is preferred in all markets it has ever reached as a fine and unexcelled steam, gas and domestic coal. The vein is ten feet thick with fourteen in parting three feet from bottom, and the remainder over parting, which is now being mined, is absolutely pure from any detrimental functions. We have just received a report from Mr. Swantz, consulting engineer from New York, an expert on coal and plants, saying this coal would take the lead in the New York market as a soft coal. Also he stated that the plant is skillfully engineered and planned, being more liable to put out more tonnage and arrived at quicker than any plant in the State of West Virginia. There is also one more operation in the field, the Thacker Coal and Coke Co., which is now putting out 200 tons per day.

The fact is that the Thacker coal, as it is so called, is the coming coal for the tidewater trade and will compete with the western coal in the western markets.

Very respectfully,  
J. H. SLUSS, C. & M. E.
